JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

## BOOK REVIEWS

IN CHARGE OF

M. E. CAMERON, R.N.

A HANDBOOK ON PSYCHOLOGY AND MENTAL DISEASE FOR USE IN TRAINING-SCHOOLS, FOR ATTENDANTS AND NURSES AND IN MEDICAL CLASSES, AND AS A READY REFERENCE FOR THE PRACTITIONER. By C. B. Burr, M.D., Medical Director of Oak Grove Hospital (Flint, Mich.) for Mental and Nervous Diseases; Formerly Medical Superintendent of the Eastern Michigan Asylum; Member of the American Medico-Psychological Association, of the American Medical Association, of the American Neurological Association, of the Detroit Society of Neurology and Psychiatry; Corresponding Fellow of the Detroit Academy of Medicine; Foreign Associate Member of Societe Medico-Psychologique of Paris, etc. Fourth Edition. Revised and enlarged with illustrations. Philadelphia. F. A. Davis Company, Publishers, English Depot: Stanley Phillips, London, 1914.

This book, which has grown increasingly valuable as the author keeps adding to it from his long experience, is now in the fourth edition.

For practical teaching in nursing the insane, perhaps Dr. Burr is a little disappointing, only about twenty-five pages at the end of the book being devoted to nursing, and even this small part fails to give very definite directions for actual nursing. The greater part of the book is concerned with psychology and insanity, with a short chapter on the management of the insane from the medical standpoint.

NURSING AND CARE OF THE NERVOUS AND THE INSANE. By Charles K. Mills, M.D., Professor of Neurology in the University of Pennsylvania; Neurologist to the Philadelphia General Hospital. Third Edition revised by the Author, assisted by N. S. Yawger, M.D., Instructor of Neurology, University of Pennsylvania, Assistant Neurologist, Philadelphia General Hospital. J. B. Lippincott, Philadelphia and London. Price \$1.25.

The authors of this book quite properly agree that the nursing of the nervous and the insane calls for special training and a high order of intelligence on the part of the nurse. Perusal of the book, however, brings one to the conclusion that as yet the special training and the
